¡Viva! Spanish Sing and Sign!

A unique teaching system giving children an exciting and effective introduction to Spanish, one of the world's most important languages.

Viva! Sing and Sign system of especially written songs ensure that every child learns quickly and easily. The method, combining singing, signing and Spanish, mimics the way that infants and young children assimilate their mother tongue.

The songs have been designed to be simple and appealing to children, who quickly learn them by heart. This gives them an enormous feeling of achievement and excitement, and engages them immediately. More importantly, the children retain the songs, which act as vocabulary prompts as they get older.

Each class builds on the last one by introducing new content alongside the songs that have already been learned.

Classes continue at Cookham Dean School from April to pupils in Key Stage 1 (Years 1 & 2).

The sessions will be held on **Wednesday or Thursday lunchtimes**, starting on **15th/16th April**.

The **¡Viva!** system is available for £8.50 per child per class, payable termly in advance.

Payment (£102) should be made by bank transfer to:
